About this boat

POWERED FOR ADVENTURE!! Book a Corvette Jetcar and have fun driving a luxury jet car on Cancun waters!! You can bring another person to share the jet car ride with you, and will get to take turns driving during the session at no extra cost if you wish. Everyone will have a chance at the wheel! Jet car is a new trend that has emerged in Cancun lately. This activity is similar to jet skiing, except that people are transported in supercars, which are replicas of luxury cars, Corvette, Bugatti, Aston Martin, or Ferrari, but without any visible branding. Once seated in the jet car, ppl can put their foot on the accelerator and reach a speed of 70 km/h. The jet car has a windshield, video screen, GPS, and Bluetooth!!
