About this boat

Get on board on the very first fully noise and emission-free 14 metre long catamaran on the Canary Islands to enjoy a beautiful day out on the ocean. Our cruising team consists out of a skipper and guide who will be happy to explain you about the whales and dolphin species we find in Lanzarote and the Canary Islands. Further our catamaran includes a hydrophone and 360 degree camera offering a great experience to learn about whales & dolphins in even a better way. Price includes skipper and guide for whale & dolphin watching. We will leave from Puerto Calero, Dock F22, head towards the open sea and come back to Puerto Calero after approximately three hours. This is a Shared Group Experience. If you have any ques...
