About this boat

My 2008 Triumph 195CC is a 20' t-top center console boat with a 150hp Yamaha 4-stroke engine located at Spicer Marine Basin in Clayton, NY. My boat is an all-around family boat, great for cruising, rafting up in nearby Bathtub Bay or Potter's Beach, or fishing. It's equipped with a 9" Garmin GPS/Fish-finder (EchoMap 94sv) which works great for navigating the local St. Lawrence River and surrounding islands. It has 6 rod holders, a live well, and Garmin's SideView/DownView sonar . It can also be used for tubing or water skiing. You can 'add-on' sports equipment when booking. I've had many fun days on the water in my Triumph and hope you do too! If you have any questions, we can answer those through GetMyBoat's m...
