About this boat

Available exclusively for guests staying at "Tumlin Beach" in Orange Beach Alabama! Don't get sucked in to renting from a commercial vendor with an underpowered boat that leaves you fighting the wind and the currents. This boat is adequately powered with a 200 hp Yamaha with less than 100 hours to get you to where you're going without pissing you off. Equipped with a Garmin GPS for navigating the shallows in the bay, which is a critical skill for having fun and not destroying the prop. Guests may not take the boat into the ocean, and must stay in the Perdido Bay on the north side of the Perdido pass.
