About this boat

This is a very nice tritoon boat, it has a 200HP Yamaha VMax, it gets up and goes for a tritoon. Veranda boats are made with all interlocking aluminum and are much lighter than most other tritoon boats. This boat is so relaxing and has a double connected bimini for plenty of shade. Dual ladders to get off of the back and enough sets to comfortably seat 11 people, 9 if the passengers in the back don't want to share the two rear facing lounges. If you're on the Arizona side, we can usually arrange to meet up anywhere in Lake Havasu to launch the boat for you, we will also pick you up right out of the water taking all of the stress out of your day! If you have any special requests, let us know we are more than hap...
