About this boat

If you're looking for a fun, easy-to-handle boat for your next day on the water, you've found it. This boat is powered by a reliable and responsive 200 hp Suzuki engine, which makes it an absolute joy to drive whether you're cruising across the lake or finding that perfect fishing spot. It's rated for up to 9 people, making it a great option for families, small groups, or anyone who just wants a little more space to stretch out and enjoy the ride. The ride is smooth and stable, offering a comfortable experience whether you're exploring coves, soaking up some sun, or casting lines in your favorite fishing hole. There's plenty of room to lounge, relax, and enjoy the outdoors without feeling cramped. I take pride...
