About this boat

A 24-foot Massimo Marine Lounge pontoon on Lake Havasu, powered by a 250hp engine and captained for you. It seats up to 8 guests and moves comfortably between the channel, the beaches, and wherever else your group wants to spend the day. The lounge layout keeps things relaxed — wide open deck space with room to sit, stretch out, and enjoy the ride. Lake Havasu has a lot going for it as a setting: calm channel spots for hanging out, beautiful beaches, stunning coves, cliff jumping, and enough open water to run the tow tube. The captain handles the boat so no one in your group needs to think about anything other than the day itself. What's Included: - Captain (always on board) - fuel - Tow tube - Wakeboard - Cool...
