About this boat

The Easy Livin' Pontoon is a heavy duty built double decker pontoon. The boat is extra wide which makes it extremely stable on the water. Stops at one of the many sandbars surrounding Anna Maria Island, where you can get out and swim, shell, snorkel, and relax. The water here is crystal clear. On this excursion you have the possibility to see dolphins, hermit crabs, sand dollars, starfish, fish, and much more! Capt. Jeremy Strawn born and raised in Bradenton and has boated these waters his whole life. Provided on this tour: snorkeling equipment, nets, stand up paddleboard and a large float to relax in. All tours come with complimentary bottles of water and a cooler with ice.
