About this boat

Come aboard and leave your worries on the dock. This is a chance to slow down, feel the wind fill the sails, and discover a beautiful coastal ecosystem that most visitors never get to see. We'll drift through calm waters with the engine off, letting nature set the pace while you take in the scenery and search for local wildlife. The boat is well-equipped for a comfortable outing, and since this is a private charter, you can bring along whatever drinks and snacks your group prefers. Feel free to relax completely — the captain

handles everything so you can focus on enjoying the moment. What to Bring: - Water bottles for your group, especially during summer months - Any drinks and snacks you would like to have on...
