About this boat

Our Bennington S22 pontoon is a great choice for anyone looking to spend a relaxing day on Lake Travis with family or friends. This spacious pontoon seats up to 10 people comfortably, with plenty of room to move around, lounge in the sun, or take a swim. The bimini top provides shade when you need it, and the Bluetooth stereo lets you play your own music while you cruise. We keep our boats well-maintained and ready to go, so you can focus on enjoying your time on the water rather than worrying about the details. A few things to know before you request a booking: you must be born before September 1st, 1993, or hold a valid Texas Boaters License to operate the boat. We ask that you tell us a bit about your group...
