About this boat

There are 3 cabins in our Catamaran yacht and her capacity is 6 people. All cabins have double beds. Our catamaran, which was built in 2018, is as new, clean and well-maintained as the first day. There are 2 crew who provide you with professional service in our catamaran. The most important service in overnight tours with yachts is cleaning and food. You can be sure that you will have a comfortable and trouble-free holiday in this catamaran and you will collect beautiful memories. Priority for our catamaran is weekly reservation requests. If there is a free day in the near future, we can take daily tour reservations. I wish everyone a good holiday.
