About this boat

UNIQUE 100 FT / 30 M ALUMINIUM CATAMARAN PROJECT Built to Lloyd's Class Standards | Extensive Documentation | EU VAT Paid | Located in Denmark A rare opportunity to acquire a substantial 30 m aluminium catamaran project with exceptional development potential. Originally constructed by Trave Schiff Technik, Lübeck, Germany, to Lloyd's class standards, the vessel was initially conceived for charter operations in the Caribbean. Since acquisition from the German yard, several alternative concepts have been studied, including floating accommodation, office and conference facilities, charter operations and other commercial applications. Ideal for innovative blue economy projects, floating eco-resorts, off-grid accomm...
