About this boat

This is a 39-foot Sonic Tender 36 CC center console built for a full day on the water with room for up to seven guests. The boat is captained, so you're free to focus on the trip itself — whether that's cruising open water, finding a quiet cove, or just letting the day unfold at whatever pace suits the group. The setup is genuinely comfortable for a day charter. There's a bathroom on board, serious sound with a 20-speaker system, and a fish finder if anyone wants to explore that side of things. Gas and captain fees are calculated separately from the hourly rate, so those details get worked out based on your specific trip. What's On Board: - 20-speaker sound system - On-board bathroom - Fish finder - Sun protect...
