About this boat

Travel along the Caribbean coast of the Dominican Republic by boat! Rent a fully maintained 40-foot Tiara motor yacht for up to 10 people. Rates starting at \$1400 USD per day. The Tiara motor yacht comes with 1 cabin and bathroom, powered by Yamaha 200 hp engines. Each Tiara yacht is designed to be, above all, functional, comfortable and safe. It should be seaworthy in virtually any water, ride smooth and level, require minimal maintenance, and maintain its value year after year. Visit and travel to La Romana, a city on the Caribbean coast of the Dominican Republic and a gateway to some of the most popular tourist areas. To the south of the city is Catalina Island, with beaches, coral reefs and the wrecked ship...
