About this boat

The Myth is a complete departure from yachting as you know it. As a fully solar-electric vessel, the massive 12KW solar canopy collects the sun's rays and powers everything on board, from the propulsion to lights, music, appliances and everything else. Forget the challenges of traditional yachting. The Myth has "spuds", which hydraulically lift the vessel above the wave action, providing you a venue as stable as land, perfectly suited for your private event or experience. Once aboard, you have access to a staggering 2,200 square feet of space to enjoy, whether it is the main lounge, the private dining room, the open upper deck, or the 360 degree wraparound decks hovering above water. A galley kitchen is complet...
