About this boat

Abeking & Rasmussen 6516 — a new mega yacht from Abeking & Rasmussen (first photos released November 2025). The yacht measures 79.95 meters (262'3") in length overall with a 13.3-meter beam.

It is built on an evolved 80-meter platform and represents a refined milestone for the Lemwerder-based builder. Propulsion likely consists of twin MTU 4000 series diesel engines providing a top speed near 17 knots and a cruising speed of 14 knots. The vessel is engineered for a range exceeding 6,000 nautical miles to support autonomous global exploration. Notable design features include an open-air faux castle design and integrated tender storage lockers in the foredeck instead of traditional hull shell doors. The yacht inc...
