About this boat

The Alaska 45 with flybridge is a magnificent example of a high-quality semi-displacement boat. Built in 2007, this vessel has been very well maintained and is in excellent condition. One of the most notable features of the Alaska 45 is its comfort and accessibility. This boat is very spacious and offers great mobility on board. In addition, it has a wide variety of equipment that ensures safety and comfort during navigation. The equipment of the Alaska 45 is very complete and has everything needed for a safe and comfortable navigation. Among the outstanding elements are the Furuno GPS/plotter, radar, sounder, autopilot, VHF radio, and electronic repetition on the fly. In addition, it has a battery charger, an...
