About this boat

Alfastreet Marine 28 Cabin Electric — Twin Drive | Hydraulic Hard Top™ | Full Configuration The future of boating is already here. Alfastreet Marine 28 Cabin Electric is a next-generation Slovenian electric motor boat — whisper-quiet, emission-free and built for serious autonomy. No internal combustion engine means no oil changes, no cooling system, no fuel costs — and up to 90% lower running expenses compared to diesel. The electric drivetrain demands minimal servicing and delivers a significantly longer lifespan than any conventional engine. Two independent motors provide full redundancy at sea: if one fails, you are never stranded. The 50 kWh battery bank ensures confident range for day cruising and island h...
