About this boat

All Smoke is the fourth hull of the SW 78' miniseries, one of the most successful Southern Wind projects, that boast the design partnership of Reichel Pugh Design and Nauta Design. All Smoke is a real cruiser/racer, ideal both for bluewater cruises and competitive races. She enjoys an excellent reputation in the racing field, thanks to remarkable results in major races. Thanks to a carefully maintenance and attention during the years she stands out for her stunning conditions. She has benefitted from recent (performed in 2015) significant investments such as: hull sides paint and super structure paint, new teak on deck, new generator, full overhaul check and ultrasound on all carbon fittings on rigging and deck...
