About this boat

We drift different. While other boats herd 50+ people with megaphones, we keep it small and real. Think Amsterdam friends who own a boat. Your captains, Jannah & Beer were born here. They know which bridge lights up best, where locals like to drink coffee and share some real life stories of crazy stuff we experienced on the canals. Large windows offer panoramic canal views and a sunny lounge deck is perfect for chilling whilst a cold drink is always within reach. Just sit back while we tell you our personal and historical stories of Amsterdam. Come as you are. Kick off shoes, grab blankets, help yourself to drinks. This isn't a museum boat - it's floating through Amsterdam in your friend's living room. We skip...
