About this boat

The Anytec A23 combines power, safety and smart design – making it an ideal choice for an active family looking to get the most out of the summer. Its spacious social areas are perfect for enjoying long days on the water, whether you're swimming, enjoying watersports or exploring the archipelago. Built in durable aluminium, the A23 is both safe and easy to handle, while offering a sporty and responsive ride. A strong level of equipment, including radar and a bow thruster, ensures added comfort and smooth manoeuvring in all situations. The boat has also had its major 5-year service completed in 2026, giving you peace of mind and a worry-free start to ownership. A perfect balance of practicality and driving pleas...
