About this boat

The Atlantic 5.8 is a stylish and compact speedboat, perfect for enjoying a day on the water. With its sleek design and attractive appearance, it offers both comfort and performance. Powered by a 100 HP engine, this boat provides a smooth and enjoyable ride, ideal for cruising along the coast, exploring hidden bays, or simply relaxing at sea. For safety and the best experience, the boat is available only with a skipper, ensuring a worry-free trip for all guests. We recommend a maximum of 5 guests plus the skipper, allowing everyone to have enough space to relax and fully enjoy the ride.
