About this boat

The Axopar 37 Sun Top embodies modern European yachting elegance, blending sleek Nordic design with exceptional versatility. Its refined silhouette, clean lines, and thoughtfully integrated sun-top create a sophisticated open-air experience that feels both stylish and effortless on the water. Designed with 360-degree visibility, this yacht is ideal for scenic cruising and sightseeing—offering unobstructed views of coastlines, waterfront estates, and iconic marine life from every angle. Expansive sun-lounging areas invite guests to relax, sunbathe, and enjoy the journey in comfort, whether underway or at anchor. With a shallow draft and agile hull design, the Axopar 37 is perfectly suited for snorkeling excursions.
