About this boat

Offered as a 2025 ex-demo, this Axopar 45 Cross-Top combines offshore performance with practical Scandinavian design and versatile deck spaces. Powered by triple 300 hp outboards, it delivers efficient cruising, rapid acceleration and strong top-end capability. This particular example is enhanced with a high-capacity lithium battery bank, enabling the cabin air-conditioning to run quietly at night, transforming the boat into a genuine weekender. The Cross Top configuration adds weather protection while maintaining the open, social character that defines the Axopar philosophy. With only 50 hours, immaculate presentation and no lead time, this is an ideal opportunity for buyers seeking a modern, high-spec 45-foot...
