About this boat

The Baglietto T60 motor yacht will be produced at the Baglietto shipyard from 2025. The Baglietto T60 is a steel—hulled motor yacht with a length of 60.60 m, with 6 passenger cabins and a draft of 2.90 m, which can reach speeds of up to 16 knots. The steel-hulled yacht has a CE (A) certificate, that is, it is designed to go to the open sea. Yacht inspection and sea trial are subject to MYBA terms and conditions. For detailed and up-to-date information on this vessel, please contact the manager. Nord Star Superyachts specializes in yacht sales, construction, management and consulting. We provide a full range of services for yacht owner support.
