About this boat

Perfectly designed to take full advantage of the sea, the Beneteau Flyer 750 Sundeck offers elegant lines designed by Pierangelo Andreani. The family-friendly layout features a cabin, a separate toilet, and enough storage space . Although this boat would work as an overnighter, its primary focus is being a sophisticated day boat that assures a soft ride, even in extremely choppy conditions. Equipped with a HONDA 250 HP, the Flyer 750 SD offers safe and comfortable cruises in a powerful single-engine package. Clever finishes combined with effective overall use of space make the Beneteau 750 SD a confidence-boosting boat that the whole family can enjoy.
