About this boat

AF is a classic Benetti yacht refitted in 2022. AF is a 25.6-metre motor yacht built and launched by the Italian shipyard Benetti in 1973. Her interior configuration has been designed to accommodate up to six guests in three staterooms and also three crew members. Designer Luca Catino has refreshed the exterior and interior whilst preserving the original style that distinguishes the traditional profile of a Benetti canoe stern yacht. AF features a displacement hull powered by twin 400hp MAN engines which were completely overhauled with 2 years warranty. This yacht is unique for several reasons: high internal volume, modern and light interior, spacious flybridge, and impressive range. specification and brochure...
