About this boat

Bilgin Yachts' CEO İsmail Şengün describes the new 163 series as one of Bilgin's most ambitious projects and a perfect example of what we can offer to our clients. With exterior design and naval architecture by Unique Yacht Design and interior design by Hot Lab, the 50- meter Bilgin 163 series is as trendy and comfortable as her predecessors Snow 5 and Starburst III. The brand-new project has 20 percent larger areas compared to 48m yachts which makes her even more special. The second hull of the Bilgin 163 series -built on-spec- will be delivered in April 2024. With a six-cabin layout, Bilgin 163 has a great harmony in the living areas thanks to her natural colors, large windows and high-gloss materials. With a...
