About this boat

Powered by a robust Yamaha 150 HP, 4-stroke engine, this new monohull is designed to deliver both reliability and performance on the water. The boat's spacious layout mirrors that of a pontoon, providing ample room for up to 13 people. This makes it an excellent choice for larger groups who want to enjoy the water together without feeling crowded. Equipped with a Garmin GPS system, navigation is straightforward and stress-free, allowing you to focus on your surroundings. For entertainment, a Bluetooth radio with seatback speakers ensures that everyone on board can enjoy their favorite music, enhancing the overall atmosphere during your time on the water. With a built-in cooler and plenty of space to spread out...
