About this boat

Make your way to the main harbor of Kos and pick up your private boat rental. Our Compass 160e is fully equipped with everything you will need, such as a GPS plotter, sun tent, stereo system with Bluetooth, cooler box with ice, safety equipment, first aid kit, and snorkeling equipment. Choose to add a skipper to your experience if you prefer. Set off on your adventure and visit the nearby islands of Pserimos and Plati. Discover private beaches that are only accessible by boat. Sunbathe, snorkel, and swim in the crystal-clear waters. Fuel is paid at the gas station of the marina and depends on consumption.
