About this boat

We meet early in the morning when the weather is always very calm and it makes it easier to get to know the boat and feel comfortable using it. Before your departure you take a detailed lesson on safety rules and how to handle the boat and then you are ready to go. No license or prior experience required. The boat is equipped with the necessary amenities to enable you and your crew (max 5 people) to travel safely and comfortably, on a day full of exploration and serenity. The area you can explore is 5 miles around your starting point (Karavomilos Beach, Kefalonia). From the north, you can go up until Ag. Sofia and from the south until Xilomata. Also, you can visit the side of Ithaka that is opposite to our side...
