About this boat

The 500 Prestige has a flybridge that is larger than most for boats in this category, and feels like a traditional “cabin cruiser” that serves as a multi-purpose yacht for cruising, entertaining and day boating. Featuring private entries to each of its two full-beam in suite staterooms, sun pads on the bow, and to port on the flybridge, along with teak-tread stairwell for access. This yacht will be your floating entertainment center and relaxation headquarters for the day! It has everything you need at a price point that is affordable for even smaller groups.
