About this boat

SCHEEPSWERF EN MACHINEFABRIEK V/H BOTJE ENSING for sale. A beautiful classic yacht designed and built to meet the demands for safety and relaxation, comfort and elegance. She was built in Holland at the highest Lloyds standards, and she is also maintained at exceptionally high standards. The Trawler type design, the thick riveted steel construction and the Vosper stabilizers have made one of the most stable, sea going yachts. The spacious multi-deck areas with complete service facilities could hardly be found in yachts of her class. Stately and dignified in carriage, refined and graceful in appearance, her classic lines, elegant style and varnished teak woodwork are hallmarks of motor yachts of great bygone era...
