About this boat

We proudly present the first Brandaris Barkas 1100 Supersport Hybrid, the modern interpretation of a classic beauty. With her chic mahogany wood carpentry and orange upholstery, it is a true eye-catcher. All instruments are integrated into the Raymarine touchscreen display. She is equipped with a bow and stern thruster, making maneuvering very easy. The hybrid solution makes it possible to sail both fast but also quietly, without emissions. You are welcome to view this Brandaris in our indoor sales marina. Mark Hesselmans at De Valk Loosdrecht is your go-to contact for any questions. Feel free to give us a call. We provide only a selection of key information on this platform. For complete details, please visit...
