About this boat

We welcome You with a Port Wine. We guide You through the banks of both cities, Porto and Vila Nova de Gaia, while explaining a little bit of their History. We sail towards D.Luís I bridge, a great element of our Architecture. While heading to the sea, we will also see Afurada Fisherman Village, Cantareira and Foz do Douro. Perhaps we can be lucky enough to see some dolphins. If You choose to come late afternoon, you may be rewarded with a magical sunset. Our staff will be happy to guide You with this wonderful experience. Grab Your phone, enjoy the moment and make some friends!
