About this boat

Extraordinary steel-hulled schooner, completely rebuilt from a bare hull and updated by her current owner to an extremely high standard. FURTHER BROKER'S COMMENTS: Completely rebuilt between summer 2012 and January 2014 at Cantiere San Vito, NASCHIRA is an ever green flush deck schooner built of sturdy steel and well-conceived for blue water adventures. During her rebuild, the emphasis was towards creating a yacht with easy maintenance in remote places with reliable system, easy to find spare parts and skipper-completed services, i.e.: all of the pumps can easily be purchased everywhere, the engine have been chosen for ease of maintenance, watertight bulkheads, autocleaning fuel tank, redundant steering system...
