About this boat

The Cap Camarat 7.5 WA Series 3 designed for zipping across the water, the Cap Camarat 7.5 WA Serie3 provides exceptional performance. The V-shaped hull designed by Michael Peters ensures good seakeeping with excellent handling and manoeuvrability. The modular cockpit enables you to sit comfortably on crossings, and then to fold away the bench seating in seconds to access the storage locker or to facilitate movement about the boat while at anchor. The boat is registered for 10 guests but my recommendation is 8 guests for better comfort and more space on board! There is a powerful 300 HP engine that can reach a max speed of 45 knots. We are located in Sukošan from where you can reach the most beautiful islands...
