About this boat

The Blue Moon is the vessel we use for all our tours that will accommodate up to 6 passengers. She is a 19.5ft Tidewater center console vessel with a cloth T-Top, cushioned seats, a cooler and a Suzuki 140Hp motor. Included with the Blue Moon is the Captain, Fuel, Lifejackets, Fire Extinguisher, First Aid Kit, Ice and Bottled Water. We depart from the Folly Beach Boat Ramp, where we can cruise the tidal creeks, ride out to Sandy Pointe, look for shark teeth at Morris Island and see the Morris Island Light House. This vessel is ideal for exploring the waters around Folly Beach, watching dolphins and other wildlife or the sunset on the river. If you have any questions, we can answer those through GetMyBoat's mess...
