About this boat

Sailing a fast and agile catamaran is the BEST way to see the beautiful South Carolina coast. We sail the protected waters of the Folly River and inlet—the area is full of dolphin and other wildlife, including pelicans, herons, osprey, egrets and sea turtles as well as other wildlife common to the Lowcountry. We can beach the cat at one of the nearby isolated islands and do some shelling or go for a swim. Bring your favorite boat drinks and load up the iced down Yeti! BT speaker ready for your sailing playlist! If you have any questions, we can answer those through GetMyBoat's messaging platform before you pay. Just hit, "Request to Book" and send us an inquiry for a custom offer.
