About this boat

The Lagoon 42 is an excellent choice for renting a catamaran. It is a really spacious, fast and easy to manoeuvre boat without losing a peak of security on board. Its rig moved further aft and its self-tacking jib, which are guarantee of sailing performance and ease of use, offer the possibility to gather all the maneuvers in the same place. Its four cabins, big solarium and its indoor area make it the best option for your holidays. The living room, which can be reached by a sliding door, has all the amenities and is really bright due to all the windows around it. This catamaran has an auxiliary boat for your trips to the beach. In essence, it is like being in a house floating in the middle of the sea.
