## About this boat

With a “white yacht” and a sporty appearance, RJ is a vessel of the best class: built of steel and aluminum. the keel plate is 12 mm thick. independent steering wheels. advanced ship systems and backup pumps, a well-equipped navigation and communication complex, plenty of storage space on board, ocean crossing capabilities and flight range. The crane is located on the sun deck aft, away from the entertainment area, and is hidden under a hydraulic opening hatch. It can lift a tender with a lifting capacity of up to 2 tons, a length of more than 6 meters and is located under it on the upper deck aft. this is invisible to the guests and hides from their view the mechanical part that would spoil the entertainment a...
