About this boat

This 2000 Celebrity 200 bow rider is a great option if you're looking to cruise between restaurants, hit the sandbars, or get out for some tubing and speed on the water. The 5.7L EFI engine puts out around 260 horsepower and can reach speeds up to 55mph, though we keep it to 50mph during rentals for safety. I can either captain the boat for you or you can operate it yourself if you have prior boating experience. Either way, I ask that you come with solid navigational knowledge and a responsible approach to following all boater regulations. This is a well-maintained boat that's not easy to find in the area, and I'm happy to share it with folks who'll treat it right. Vessel Details: - 2000 Celebrity 200 bow rider...
