About this boat

2020 Yamaha AR195 with myself as Captain up to 4-5 passengers includes fuel. This jet boat can go as little as three feet of water making it superior for a day chilling on a beach or cruising about the entire lake. The boat is supercharged 250hp and can pull a tube, water skier, or wakeboard if the weight onboard isn't too excessive. (wakeboard, water skis, and 2-3 person tube available for rent). Wake surfing lessons are available upon request. NOTE *This is not a ballast boat* This is to learn to surf with the rope and a wedge to create the wave. If you want to learn to surf I recommend no more than 3-4 people max for the power to pull you out of the water. Entertainment also includes a Bluetooth connectable...
