About this boat

Enjoy Lake Tahoe from the water aboard our classic Cobalt 200 powered by a MerCruiser 350 V8 with DuoProp — perfect for all towable watersports. This smooth, easy-to-operate family boat comfortably seats up to 8 people (or up to 12 with children) and includes all IS Coast Guard safety equipment: life jackets, two-way radios, etc. We offer optional water skis, inflatable tube, a ZUP board, and all tow ropes for extra fun, so the whole family can get on the water right away! The open bow and powerful V8 deliver an exhilarating ride — speeds over 50 mph on flat water are easily reached — while remaining stable and family-friendly. Depart from the private beach in front of our family home in Carnelian Bay for quick...
