About this boat

Our 18 foot Duffy boat is all electric allowing you to glide serenely through the water, leaving only a wake and the gentle noise of rippling water on the hull. With seating for six upon soft vinyl seats and a full enclosure protecting from cold, wind, and rain; a cruise onboard our Duffy is more like sitting amongst friends in a living room than being cramped with strangers like on other boats. Book a cruise with us and be transported to a place of luxurious serenity where you are free to enjoy the boat as your own, captain included of course. Passenger count is limited to six people. Captain will be in control of the boat at all times. Children under 13 are required to wear a life jacket at all times onboard....
