## About this boat

The new Columbus Atlantique 47 project, designed by the Milan-based 'Hot Lab' studio, is devoted to the "Architecture for Voyagers" philosophy for an authentically stylistic superyacht configured for an Owner craving an adventure on any trip by sea and through nature. Atlantique 47 comprises four double cabins with e-suite bathroom located below deck, a full-beam owner suite on the main deck, a second swimming pool on the forward upper deck and a whole sun deck dedicated to conviviality. The vessel was specifically designed to a volume of 499 GT. It is noteworthy to mention the beach club developed on the main deck transom and characterized by two folding side-wings and a large central swimming pool sloping tow...
