About this boat

Exterior by Hydro Tec and interior by Guida Design, CROSSOVER 42 is the smallest model in the Columbus's modern explorer motoryacht series. She has been designed with autonomous cruising and a large-tender capacity in mind. All guest and entertainment areas are located forward, leaving the aft section free for an up to 8 metre/2.5 tonne tender and other large water toys. When cleared and with bulwarks folded down, guests can hang out in the open-plan beach club with pool and unobstructed view, as an alternative to enjoying the sundeck and upper deck. Yacht inspection and sea trial are subject to MYBA terms and conditions. For detailed and up-to-date information on this vessel, please contact the manager. Nord S...
