About this boat

"Lo Blauet" is a 7,20 meters boat available over the river Ebro in Tortosa (Southern Catalonia). It can accommodate 12 people (pilot + 11 passengers) and can be rented to explore the area surrounding Tortosa, upstream until Miravet and downstream until the end of Ebro Delta, where the river meets the sea. It must be contracted including one of the company's pilots because it's not easy to navigate the river without previous knowledge of the route. Onboard we can offer catering services and of course, while we drive we also explain what we see, the history and the nature.
