About this boat

This unique 9 metre daycruiser is a true one-off, designed and built by the first owner in classic Riva style. The hull is constructed in strongplank GRP and finished with elegant magahony veneer on both hull and deck. Powered by a strong diesel engine and bow thruster, offering excellent manoeuvrability and reliable performance, with a top speed of up to 43 knots. A stylish and distinctive daycruiser with real character, combining craftsmanship, comfort and practicality. This Riva-style daycruiser is now available in the South-West Netherlands. Joris van de Rijt at De Valk Sint Annaland is your go-to contact for any questions. Feel free to give us a call. We provide only a selection of key information on this...
