About this boat

Delphia 12 Sedan — a new motoryacht from Delphia (development started in 2024, now in production and available new from the factory). Development started in 2024 and the model is currently in production, available new from the factory. Accommodates four guests in two cabins: one master en-suite and one double cabin with shared bathroom. Built from GRP with a displacement hull type and shaft drive propulsion. Engine options include Yanmar diesel engines with single or twin configurations, ranging from 110 hp to 230 hp. Features a spacious cockpit, user-friendly flybridge, and foredeck designed for relaxation. Fuel capacity is 600 liters (300 L + 300 L) with fresh water capacity of 500 liters (200 L + 300 L).
